Camp LH 2022

JUNE

Blooms & Bees 5/31-6/3

Begin our summer by going back to our roots....literally! The campers will plant, tend to and sow the fruits of their labors from this camp all summer long! From planting a garden full of edible fruits and vegetables to learning about and beginning a composting procedure that will foster a more sustainable process at little house for food recycling! We'll learn about the benefits of Bees in our everyday world and try out the 'fruits of a Bee's labor' in a variety of flavors!

Minute to Win It 6/6-6/10

Silly games meant to make you laugh and start summer off with Fun, Fun, Fun! During this camp week campers will be challenged to complete a number of silly, laugh-inducing team-building games! Beginning with the Cookie Monster Challenge ...using only your face muscles to move a cookie from your forehead to your mouth! Followed by the Cottonball Collection Challenge... where blindfolded each team must try to collect the most cotton balls from the table!! Ending camp with the shamrock shake....Can you do it?!?! Join us to find out! This camp is full of crazy games that are sure to create memories for every camper!

Silly Science : 6/13-6/17

The forms of science are vast....the camp activities are varied and this week of fun will not disappoint! Campers can learn to build super simple machines and code our bee bots around a dangerous maze of whip cream! They will be creating chemical reactions, completing multistep gravitational studies, making mountains and exploring earthquakes to experience these messy yet masterful phenomenon! Silly science camp will entice the most un-enthusiastic scientist to throw on a lab coat & join the fun!

Passport to FUN 6/20-7/1 (2 weeks)

Travel the world with us this summer during Passport to Fun!! Each camper will experience the culture of 6 different countries through testing out some traditional food and experiencing a few of the cultural tradition! Campers will grab their passports and transport themselves to alternate locations to explore the sites and sounds while visiting a few iconic locations! Join us for a trip to the expansive fiords in Iceland, hop on as we travel the dry and sun-drenched desserts of Namibia and the gorgeous coasts of Greece. Passport to fun will bring these places to life and feel like a Trip across the world in a day!

JULY

Survival 7/5-7/8

Know how to build a temporary shelter? Start a fire? Read a compass?? We'll spend the week learning skills and strategies to assist us in any serious survival situation! Practice hooking a worm to catch our own 'dinner' and how to prepare for meeting a bear in the wild. Learn to identify local plants with healing or harmful properties along with basic first aid! LH Survival Camp is sure to be a camp to remember!
